Each teacher on a regular teaching contract shall be credited with twelve (12) days sick leave without loss of pay at the beginning of each school year. The leave may be used for personal illness or disability of a teacher or for personal illness or disability involving a member of the teacher's immediate family. Immediate family is defined as father, mother, brother, sister, child, grandparent, grandchild, these same relatives by marriage, spouse, or any person for whom

the teacher is a court appointed guardian. All leaves taken shall be debited against such sick leave, and shall be taken in not less than one-half (1/2) day increments.

- E. A teacher who is absent fifteen (15) days during a school year may be requested to furnish for all subsequent absences, a medical certificate stating the cause of the illness or disability and the period the teacher was unable to work because of that disability. Days taken in excess of fifteen (15) days during a school year without the requested medical certificate may result in loss of pay for the days missed.
- F. If sick leave is used while the teacher is receiving worker's compensation benefits, the School Corporation will continue its practice of coordinating sick leave with the worker's compensation benefits.
- G. The employee shall designate on the appropriate form whether the employee's absence is due to personal illness or disability, or family illness or disability.

Section 2 Anticipated Temporary Medical Disability

When sick leave is to be taken for hospitalization planned in advance of a teacher's absence, and/or convalescence and recuperation from physical disability, the teacher's attending physician must certify the cause of disability and the period the teacher is unable to work because of that disability.

- A. Disability leave beyond any accumulated sick leave shall be available, without pay and consistent with state law, for such reasonable further period of time as an employee is determined by an attending physician to be disabled from performing school duties because of a temporary physical disability.

Section 3 Personal Leave

Each teacher shall be granted three (3) days, accumulative to six (6) days, of personal leave without loss of pay during a school year, subject to the following conditions:

Section 4 Adoptive Leave

A teacher can be granted a leave of absence without pay not to exceed one (1) year. If the necessity for leave is foreseeable based on the expected birth or placement, the teacher shall provide the Superintendent with not less than thirty (30) days' notice before the date of the leave is to begin, except if the date of birth or placement requires the leave to begin in less than thirty (30) days, the teacher shall provide such notice as is practicable.

Section 5 Non-Birthing Parent Leave

A teacher can be granted a leave of absence without pay not to exceed one (1) year. If the necessity for leave is foreseeable based on the expected birth or placement, the teacher shall provide the Superintendent with not less than thirty (30) days' notice before the date of the leave is to begin, except if the date of birth or placement requires the leave to begin in less than thirty (30) days, the teacher shall provide such notice as is practicable.

Section 6 Bereavement Leave

A leave, not to exceed eight (8) working days, is granted teachers in the event of the death of a father, mother, spouse, child, or these same relatives by marriage. In case of death in the immediate family, a teacher shall be entitled to be absent without loss of compensation for not more than five (5) working days. Immediate family is defined as brother, sister, grandparent, grandchild, these same relatives by marriage or any person for whom the teacher is a court appointed guardian. Section 7 Jury Duty Leave

The salary of a teacher required to serve on jury duty will be the difference between the teacher's regular salary and the remuneration received for jury duty.

Section 8 Special Leaves

A tenured teacher may be granted a year's leave of absence without pay for health, education, travel or personal reasons. Any teacher may be granted a leave of absence without pay for periods of up to one (1) school year when justifiable reasons exist. In granting such leaves, the Board may attach conditions to include but not be limited to the minimum and maximum period of leave and earliest and latest date of return. A teacher who is refused a leave shall be informed of the reasons. The request for a leave under this Section must be submitted in writing through the Superintendent to the Board prior to May 15 of the year requested, unless extenuating circumstances make this impossible. A teacher returning from such leave shall have accrued benefits restored. Any leave of absence will be granted with the understanding

that it is a leave of absence from the school corporation and not from a particular position. Upon a teacher's return from leave, reasonable efforts will be made to return that teacher to the same or comparable position held before the leave. When this is not possible in the Board's judgment, the returning teacher shall be offered another bargaining unit position. A teacher's refusal to accept such a position shall constitute resignation. Special consideration will be given to leaves for governmental positions.

Section 9 Pregnancy Disability Leave

A teacher who is pregnant may continue in active employment as late into pregnancy as she wishes, if she can fulfill the requirements of her position. Temporary disability caused by pregnancy shall be governed by the following:

- A. Any teacher who is pregnant shall be granted a leave of absence anytime between the commencement of her pregnancy and one (1) year following the birth of the child, if she notifies the Superintendent at least thirty (30) days before the date on which she wishes to start her leave. She shall notify the Superintendent of the expected length of the leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. However, in the case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this Section, immediately on her request and the certification of the emergency from an attending physician.
- B. All or part of a leave taken by a teacher because of a temporary medical disability connected with, or resulting from her pregnancy may, at the teacher's option and as applies to Sections 1 & 2 be charged to her available sick leave. However, the teacher is not entitled to take accumulated sick leave days when the teacher's attending physician certifies that the teacher is capable of performing the teacher's regular teaching duties. The teacher is entitled to complete the remaining leave without pay.

Section 10 Sick Leave Bank

The Sick Leave Bank has been established to benefit members of the bargaining unit. Provisions for this bank are set forth in Appendix D and incorporated as part of this Agreement.

Section 11 Association Leave Days

For example, payment for insurance covering the period 1 through 30 of September must arrive at the Payroll Department of the School Corporation on or before August 1.
- C. A retired teacher who is eligible for insurance coverage may elect to have the teacher's spouse covered under the health insurance program at the time the teacher retires. The coverage of the teacher's spouse will not be affected by the death of the retired teacher and he/she will be allowed to remain on the plan until eligible for Medicare. The coverage of the teacher's spouse will not be affected if the retiree reaches Medicare eligibility before the spouse. The spouse will be allowed to remain on the plan and would be allowed to go to a single plan. The surviving spouse's eligibility ends on the earliest of the following:
- (1) When the spouse becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 ET SEQ.
 - (2) When contractually, the employer terminates the health insurance program.
 - (3) The date of the spouse's remarriage.

Once a retiree or their spouse terminates insurance there is no re-entry.

- B. Each year the School Corporation shall pay two percent (2%) of the teacher's contract salary as scheduled, excluding extracurricular and supplemental contracts, to the teacher's 401(a) plan.
- C. This account will be immediately vested.

Section 4. Retirement Committee

A committee of the President of WEA, three (3) teachers appointed by the WEA, the Superintendent of Schools, and three (3) additional persons appointed by the Superintendent of Schools will determine the 401(a) vendor(s) and monitor and analyze the new retirement provisions established with the 2002-2003 Master Agreement.

ARTICLE VII TRAVEL ALLOWANCE

Section 1. Use of Private Automobile

A teacher who is authorized in writing to use a private automobile in the conduct of assigned school duties shall be reimbursed at the standard IRS rate per mile traveled. Mileage shall be computed according to the shortest map distance between the points traveled. Mileage allowance, in this Section, is computed only after the person has reached his or her initial established work location for that day and specifically excludes traveling to and from such established work location.

Section 2. School Liability Insurance Extended to Teachers

When teachers are authorized to use private automobiles for the purposes enumerated in Section 1 the Board's liability insurance shall extend to such teachers.

ARTICLE VIII GRIEVANCE PROCEDURE

Section 1. Intention of Grievance Procedure

This grievance procedure is intended to supplement, but not supplant, routine procedures for resolving personnel problems at the lowest possible administrative level. The formal grievance procedure shall be employed only after other means to resolve problems satisfactorily have not been successful.

Section 2. Definitions

- A. Grievance: A claim by one or more teachers that a clause, provision or article of this Agreement has been violated or misapplied in such a way as to personally and adversely affect the teacher or group of teachers.
- B. Grievant: A teacher or group of teachers asserting a grievance. The Association may be a grievant if the affected teacher(s) also sign the grievance form at each step of the grievance procedure.
- C. Party in Interest: Any Board employee who might be required to take action, or against whom action might be taken, in order to resolve a grievance.
- D. Working Day: Any day that the teachers are required to be in attendance at school.

Section 3. General Provision

- A. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level of the grievance procedure should be considered as a maximum and every effort should be made to expedite the process. The time limits specified, however, may be extended by mutual agreement.
- B. A grievant must initiate formal action within fifteen (15) working days of the time he had knowledge, or reasonably should have had knowledge, of the act of omission giving rise to the grievance. Any grievance not appealed to the next step of the procedure within the prescribed time limits shall be considered settled on the basis of the answer given the preceding step.
- C. A grievant must be present at all stages of the grievance procedure, but may be represented by the Association, or by a person of his choice.
- D. Nothing in this Agreement shall prevent a teacher or group of teachers from seeking resolution of a complaint without recourse to this grievance procedure.

Section 4. Procedures

- A. Informal Resolution.

When a teacher or group of teachers has a complaint, an informal conference with the Principal will be requested. Principals shall grant at least one such conference. Additional conferences should be held if it appears that resolution of the complaint may be achieved without resort to the formal grievance procedure.

At any time within ten (10) working days after the last mutually agreed upon conference, the grievance procedure may be invoked if the complaint has not been resolved satisfactorily.

B. Step 1 - Formal Grievance.

A grievant may invoke the grievance procedure by filing a completed grievance form with the Building Principal and submitting a copy to the Superintendent. Grievance forms will be provided by the Board and will be available at all school buildings. The grievant shall provide:

1. A description of the specific grounds of the grievance, including all information necessary for a complete understanding of the grievance.
2. The reasons why the Principal's proposed resolution of the complaint is unsatisfactory.
3. The specific action(s) requested to remedy the grievance.
4. A request for a formal conference with the Principal, if desired.

If the Principal so desires he may request a conference with the grievant and the party in interest, if any. If either the grievant or the Principal requests a conference, the request shall be granted.

The Principal shall present a written decision to the grievant and a copy to the Superintendent and the Association President, within ten (10) working days after receipt of the written grievance, or within ten (10) working days following a conference with the grievant, if such is held.

C. Step 2 - Appeal.

Within ten (10) working days after receiving the immediate supervisor's written decision, or if no decision has been made at Step 1 in the time period specified, the grievant may appeal in writing to the Superintendent. Information shall include in addition to that required in Step 1:

1. The complete file of formal actions, supporting papers, memoranda, letters and other documentary materials constituting the record of Step 1.
2. The reasons why the immediate supervisor's decision on the grievance is unacceptable.
3. A request for a formal conference with the Superintendent, if desired.

If the Superintendent so desires, he may request a conference with the grievant and such other persons as may be involved or affected by the grievance. If either the grievant or the Superintendent requests a conference at Step 2, the request must be granted.

The Superintendent shall present a written decision to the grievant within ten (10) working days after receipt of the grievance appeal, or within ten (10) working days after a conference with the grievant, if such is held. Information copies of the decision shall be sent by the Superintendent to any representative of the grievant and to the party in interest, if any.

D. Step 3 - Binding Arbitration.

Within twenty (20) working days of the Superintendent's decision, if the grievant is not satisfied with the decision on the grievance by the Superintendent, the grievance may be submitted to arbitration before an impartial arbitrator by the Association making in writing a demand for arbitration to the president of the Board. The arbitrator shall be selected by the AAA in accordance with all rules which shall likewise govern the arbitration procedure.

The arbitrator shall have no power to alter, add to or subtract from the terms of the Agreement. The arbitrator's report will be binding. The fees and expense of the arbitrator, in all cases, shall be shared equally by the grievant and the Board.

- E. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participant.
- F. The parties mutually agree to exchange relevant information to aid disposition of grievances brought pursuant to this Article at each step of the grievance procedure.

ARTICLE IX ASSOCIATION RIGHTS
