Parents that already have accounts created in e funds can use the same username and password to log in to the site. If they do not have their students attached, they will be able to see this as soon as they log in at the Home page in the upper right hand corner under students.

They can use the Student Management option from the Account Settings menu to add their students.

Students Linked to your Account

Student Management

Your Student(s):

You are not associated with any students yet. Add all students in your family.

- If you do not know your students' number(s), or your students' have not been issued a student number, please contact your students' school representative to receive the student number assigned to your children.

Add Student(s) by:

Family Number: or, **Student Number:**

Enter the family number, or student number(s) for the student(s) you would like to associate with your account, and then click "Add."

The parent can then use the Student Number (other ID) or Family ID Number (which can be found in Skyward Family Access under the "Student Info" then click on "View *students name* Families" the Family ID is located on this page.)

When using the Family Number they will be able to add all students linked to that Family Number at the same time. Student Number will allow them to add one student at a time.
